The Third War Loan drive started today with a bang in Grenada. Remember what I told you: taxation (the limit of which has about been reached); borrowing (and there is more idle money than ever); and by printing. The latter method makes more money and lessens the value of the money you have. You help yourself, and the government, hasten victory and help prevent inflation by putting all your idle dollars into bonds.

Treat those door-knockers who are selling bonds as honored guests who are helping win YOUR war too. Do not treat them as pests or as you treat a magazine salesman.

The people of Grenada are indebted to the 87th Division for one of its bands and one of its drum and bugle corps for the fine concert given at the inauguration of the 3rd drive.

The old lady has been so busy with the bond drive that we have a mighty sorry paper this week, but she, like the others entrusted with responsibility, made a good job of her part.

Aint they sweet.

I am still for Mike Conner and for the principles that he advocated, and I will be believing he was right. I also believe that Time, the great tester, will vindicate his wisdom.

Dr. W. H. Stokes of Mayfield, Kentucky, died Tuesday. Details, if any are available, will be published next week.

Around at Cobb Trusty's recently, while Pete LaGrone and wife were visiting them, the subject of the governor's race came up. Asked whom he voted for, Pete replied "Conner"—and, quick as a flash, he asked, "I can still eat here, can't I?"

Since revising our list the last time, we have added 99 (by actual count) new subscribers, and, since Saturday, we have added eight more—a total of 107. We are soon going to have to do like the Commercial Appeal: take on a new one when we drop an old one.

As we write this, our very newest subscriber is Col. Grier at Camp McCain, who took a six months' treatment, which, we hope, will be beneficial.

Speaking of the camp, the temptation to accept the invitation of Col. and Mrs. Carter to a barbecue chicken dinner, etc. with the chance to see the last boxing match of the season, was strong Monday, but the old lady and I are tired out.

Our telephone calls will be about 50 percent less now since the 53rd child has gone back to college at Vicksburg. I do not know though, for our intelligent child, Dorothy, is home for a four weeks' vacation from Missouri University School of Journalism.

All of us are extremely grateful to Jupiter Pluvius for the rains and the cooler weather experienced recently.

Howdydo Adams has about as much chance of breaking up what he is trying to break up as fallow-legged hoo has of catching an asbestos cat in Hell.

B. J. Anderson, through the thoughtfulness of his wife was spared from being cast into utter darkness of ignorance and sin where the light from the GOW does not shine.

Aint they sweet.

Hurd Horton has to come around every day, leaving his cotton business to go to hell, to gloat over me and my political sorrows. He ought to be ashamed of himself.

Dr. Sharp slipped and fell and bruised himself, and that was the reason, not Conner's defeat, that put him out of pocket for several days.

Do not forget that Christmas packages for soldiers overseas MUST be mailed between September 15 and October 15th. We suggest a box of Christmas cards with the name printed thereon. We have two varieties to select from.

John Weir, who was in town teaching the boys some of the Grayson methods of moon, paid up while here.

It has taken grit, strength and courage for the people to pick out that cotton when the mercury was hovering around 110.

You have done your bit; now do your best in financing the war. Buy as much as you can, even if it is nothing but an \$18.75 bond, or a two bit war stamp.

345th Infantry Adds No. 3 To List Of Conquests

The 345th Infantry Regiment, previous two time winners of Division sports championship—Monday night added number three to its list of conquests—annexing the 87th Division Boxing championship by beating the 345th Regiment five out of eight bouts in a series of hard fought matches witnessed by 4000 screaming khaki-clad fans.

But it wasn't an easy victory. It took the combined skill of eight kids with fighting hearts to provide the new title in the 347th collection, in the eight action-cramped bouts—and the crowd shouted for more.

The 357th took an early lead behind the punching of Sgt. Raymond Finn, who beat Pvt. Angelo Tobacco, from Youkers, New York in the bantam weight class. But the lead didn't last. Pvt. Leonard Greenberg evened the score for the 345th by upsetting the favorite in the featherweight group, Pvt. Melvin Fields, of Oklahoma. And from here on in it was purely a 347th show.

The lightweight class provided the only knockout of the evening—and it came quick. Pfc. Charles Spradlin with a "Joe Louis" left floored Pvt. Robert Gutar in one minute and 20 seconds of the first round—and the 347th took a lead which they never lost.

Pfc. Jerry Kiger, a former preliminary boy from Pittsburgh, and a heavy favorite in the welterweight class took a close decision from Sgt. Albert Figg of the 345th, who surprised the cheering throng with the battle he put up.

Pfc. Ray Fortenberry, from the 347th, who crashed his regiment's team by challenging and knocking out a professional fighter in his first venture into the ring—won a three round decision over Pvt. Joseph Buca, previously undefeated in the Senior welterweight class. The 347th string of victories was capped at three by Pvt. Joseph Spinelli who punched his way to a decision over Pvt. Albert Grouch of the 345th.

The light-heavyweight bout provided the clincher for the 347th claim to the Division title, as Pfc. Jack Miller who nearly lost the bout in the third round, but who piled up enough points in the early stage to win a decision over Pvt. James Land of the Division. Although the Division championship was already decided—the final bout provided the thrills of the evening as Pfc. Charles Van Pelt of the 345th outdistanced Cpl. Jim Drum in the heavyweight Division.

The Division trophy was presented to the winning 347th team immediately following the fights by Major General P. W. Clarkson, Division commander. Each member of the winning team received a golden glove as token of victory, and the runners-up, silver gloves.

An added attraction provided the introduction of a new infantry song written by a member of the 347th—and dedicated to Col. Lloyd R. Besse, commander of the winning regiment.

Officials of the evening included Lt. Col. Perry E. Conant and Captain John F. T. Murray as judges, Lt. Col. James B. Evans, referee, Lt. William Sokoloff and Capt. Harold Rork, they were and Capt. Peter A. Paul as medical officer. The championship bouts were under the direction of Capt. E. J. Paris, Division Special Service Officer.

Data On Trial Of Camp McCain Colored Troops

At a conference held September 1, 1943, the Commanding Officer, Camp McCain, Mississippi, stated that in a General Court Martial held at this Camp on August 23, 1943, the following negro soldiers, belonging to the 470th Q. M. Truck Regt. 3rd Army, were convicted of having taken part in the assault on the Town of Duck Hill, Mississippi on July 5th:

Pvt. James Harris, Pvt. Elijah Outlaw, and Cpl. Lanne Steele, each sentenced to serve 15 years.

Pvt. Thos. E. Webb, Pvt. Ray Brookshire, and Pvt. Thos. Decker, each sentenced to serve 10 years.

Their place of confinement will be the U. S. Army prison at Fort Leavenworth, Kansas.

The sentences have been approved by the Commanding General of the 3rd Army.

Since this unfortunate incident at Duck Hill, there have been no similar occurrences, and the Commanding Officer stated that every precaution is being taken by the Military Police to prevent any possible recurrence.

Seven more negro soldiers are to be tried in connection with this offense at a date in the near future.

The conference was attended by Congressman Thos. G. Abernethy, District Attorney J. F. Coleman, Cpl. J. R. Gilroy, of the Mississippi State Highway Patrol, Sheriff G. E. Fox of Montgomery County, and citizens from the Town of Duck Hill. At the close of the meeting, these officials expressed their appreciation for the cooperation of the Army officials at Camp McCain in the solution and disposition of the matter, and further expressed the belief that, as a result, the situation at Duck Hill would be immensely improved.

Back The Attack With War Bonds In Third War Loan Campaign

Lions Club Sponsors New Boy Scout Troop

Field Scout Executive R. Wayde Onley, today announced that the Grenada Lions Club has just completed organization of a new Scout Troop for boys from age of 12 to 15 years inclusive.

The Lions Club, under the leadership of President Orman L. Kimbrough, early in the summer saw the need for more and better youth serving agencies for Grenada boys and girls than the city now affords. Investigation revealed that there were approximately 300 boys of Scout age living in Grenada and only one Troop of thirty-seven boys organized.

The following committee were appointed to set up and train the necessary leadership for the new troop: Cecil Jones, Chairman; C. W. "Red" Briscoe, W. M. Sutton and Dr. McGahey. The committee is to be highly commended on the efficient manner in which they have gone about this task. They consider the civic and city very fortunate to secure the service of Mr. H. A. "Sawdust" Sanders and Mr. Burns Tatum as Scout Masters.

Membership to the Troop will not be thrown open for the first three months. Invitations to about eighteen hand-picked boys are going out this week to form the nucleus of the new troop. As soon as they are properly trained in their respective functions as boy leaders, membership will be made available to others.

Tire Recapping Program Is Explained By Red Briscoe

Tire quotas have been drastically cut for the current month, and no optimistic comment can be made now of any relief in the immediate future. Of the 17,000,000 tires available for 1943, 12,000,000 had been disbursed by August 1. That means that 5,000,000 remain to be allocated for the last five months of this year.

The tire penal is strongly urged that the recapping be followed, as a means of conserving rubber. Since recapping of worn tires is a prerequisite for granting new tires to passenger car and truck owners, it is paramount importance that they permit no tires to wear thin before recapping. The penal will continue to insist that applicants for new truck and passenger tires show on their applications that the tires have been recapped according to O. P. A. regulations.

Mrs. William Joiner Died On Wednesday; Buried Friday

Death ended the long suffering of Mrs. William R. Joiner at the Joiner home in Grenada, September 8, 1943.

Mrs. Joiner was the former Miss Lemley, daughter of Mr. and Mrs. G. W. Limley of the Hickory Grove community, near McCarley, in Carroll county. She was born October 30, 1890 and received her education in that community and, on January 5, 1919, married Mr. Joiner who is the beloved mail carrier on Route 4. They made their home here and have reared their children here.

Mrs. Joiner was an active member of the First Baptist church of Grenada until her health failed, was most of all a home maker, and preferred to look after the needs of home, husband and children to that of so called social life.

Funeral services will be held at the home on Adams street at 2 tomorrow (Friday) and burial will follow at Woodlawn cemetery. Her pastor, Rev. G. E. Wiley, will be in charge.

Surviving her are her husband, a daughter, Miss Nellie, a son, Fred, her mother, Mrs. S. A. Lemley, and two sisters, Mesdames D. L. Vance and Maitie McDonald; also an uncle Mr. John Lemley, to all of whom the sympathy of the GOW is extended.

Names of pall bearers have not been announced.

NCCS House To Open Sunday, Sept. 19th

The USO Women's Division Club operated by the National Catholic Community Service will open Sunday, September 19 at 4 o'clock. The building was formerly known as the City Hotel, but it has been completely renovated by Sam Beaman, contractor.

Bishop R. O. Grow of Natchez will make the principal address of the afternoon. Army and Civilian officials will be present.

The first floor of the Club will have recreational facilities which will include a lobby, social hall, kitchen, sewing, and craft rooms. On the second floor there will be beds for emergency housing of army wives.

The Committee of Management for this USO Club is Mrs. L. D. Boone, Roy Doak, Sam Barranco and L. P. Mistrot. Rev. C. E. Meador is Moderator for the Club.

The program and activities at the USO Club will be under the direction of Miss Gertrude Bouchard.

The public, both Army and Civilian, is cordially invited to this formal opening.

U. S. SHOW AT AIR BASE LAST WEEK

Despite threatening weather an overflow crowd attended the camp show at the air theater at the Grenada Army Air Field, Wednesday evening. The program, which was received enthusiastically, was featured with Conrad Thibault, concert and radio star.

Mr. Thibault opened the program with a well received group of songs, including "All Alone," "La Paloma," "Old Man River" and "The Lord's Prayer." Frances Gayer, another well known singer, presented several songs. Alderson Mobray accompanied both Thibault and Miss Gayer.

Others in the troupe included Bloet and Sully, noted radio comedians; Ruth Hughes Aaron, singer and table tennis champion; Sterner Sisters, dancers; Hall and Codert, comedy singers; and mind reading. Sam Welsh made a big hit as master of ceremonies and George Oberland was manager of the company.

WANTED GOOD USED PHONOGRAPH RECORDS

The American Legion has a request for good used phonograph records for our Soldier Boys on the fighting fronts. Please make a search about your homes for good records and leave them at the City Hall with the Army Mounted Police. Our boys will be happy to get these records and we will appreciate your cooperation.

LEGION MEETING

The American Legion members will meet at 8 p. m. Friday night, August 10, at their Hut. 1944 dues are now due.

With the motto "Back the Attack" the 3rd War Loan Drive was launched in Grenada County at 10 o'clock this morning with the goal of getting \$650,000 before Sept. 30. A band parade composed of musicians from 87th Division of Camp McCain marched down Main street to the public square where the Division band presented a concert.

Mr. Andrew Carothers made a minute talk, expressing appreciation from the committee to the 87th Division for sending their wonderful band at this time to give the Grenada's 3rd War Loan Drive a great send off.

Planes from Grenada Air Base roared overhead throughout the concert, and contrary to expectations, leaflets were not dropped from the planes. We learned too late that dropping leaflets is against military regulations. By arrangements with the publicity chairman, Oliver-Lilly Motor Company planned to drop \$100.00 in \$25.00 3rd War Loan Bonds. This was prevented by military regulations.

This splendid concert, by the boys of the 87th Division will serve to inspire all citizens to buy bonds, buy extra bonds during the 3rd War Loan campaign.

Mrs. E. L. Wilkins, chairman of Woman's Division of sales thanked the members of the band and special thanks were expressed to Capt. Ell Paris and Lt. Gaspari, of 87th Special Service and the band director, Chief Warrant Officer Taylor and Lt. Slater.

LADIES DIVISION

At a meeting held at Mrs. Wilkins' home Tuesday morning plans were made and the following information released.

Beginning on Thursday, September 9, the following ladies will be at the Bond booths located at the Grenada Bank corner and Corner Drug Store corner. They will be on duty at 9 a. m. each week day, throughout September.

Monday, Mrs. L. A. Holland; Tuesday, Mrs. Jay Gole; Wednesday, Mrs. Robert Hall; Thursday, Mrs. Joe B. Williams, Jr.; Friday, Mrs. G. D. Thomson; Saturday, Mrs. Walter Garter Garner; Saturday night, Mrs. Bill Lomax. Mrs. Lomax will have a booth at Morgan and Lindsey's Store.

There will be active solicitation by these ladies and all transactions made through them will be made with speed and accuracy.

FARMERS ATTENTION

This 3rd War Loan Drive is not only for your Country's sake, but also for your sake. The money you loan has government now will come back to you with interest after the war is over, and you will be happy to receive money at that time. If we fail to subscribe to this drive, we will have inflation, and inflation wrecks all well laid plans and ruins the substantial chances of America.

Another thought, not only for the farmer, is that since you cannot buy new equipment, cars, refrigerators, radios, tractors, etc., you can put your money in bonds now to serve as your down payment when these commodities are available after the war. Every landlord is urged to see that the tenants on his farm purchase a bond during this drive.

Every negro citizen is urged to purchase a bond during this drive.

3RD WAR LOAN, SECOND WEEK FEATURE

The Woman's Division will sponsor an Auction Sale of bonds and stamps and present home talent community singing at a big event Thursday evening, September 16, at 8 o'clock at the High School auditorium.

As the bonds are auctioned off gifts will accompany each purchase, and we have been informed that one of the prizes will be a permanent wave given by Mrs. Ruby Hudson.

To citizens who are interested in giving these prizes, the committee working so hard to make this event a success would appreciate your calling Mrs. Talbert at 160 and listing your contributions. Suggested contributions include, home made cakes, hens, fryers, pound of butter, etc. Business people are asked to contribute prizes from stock. Everybody come to this special feature and make it a success. A real speller will be there as Master of Ceremonies and good voices will lead the singing. Remember the date, Sept. 16, Thursday at 8 o'clock in the evening.

In next week's issue, plans for another intensive drive will be released. The 14 zone captains will be named and the week's sales announced. Come on Grenada citizens—"Back the Attack" with War Bonds!

EASLEY-HORN

In a simple ceremony solemnized in the Study at the Methodist Church, Miss Demarius Elizabeth Horn, daughter of Mr. and Mrs. D. H. Horn became the bride of First Sgt. Kyle I. Easley, son of Mr. and Mrs. John R. Easley, of Fort Worth, Texas, on Friday, September 3, 1943, at three o'clock in the afternoon. Rev. W. L. Robinson officiated in the presence of a small group which included the bride's parents and sister, Miss Mary Ella Horn, Mrs. Andrew Kusela, Mrs. W. W. Whitaker and Mr. Jack Lott.

The lovely young bride wore her graduation dress of white chiffon with which featured a sweetheart neck line, shirred waist line from which an attractive full skirt was draped. She wore a white lace cap which was adorned with white roses and her shoulder corsage was of stephanotis, ferns and white satin ribbon. She is a graduate of Grenada High School, member of the 1943 class, and is a young lady of sweet personality.

The groom is First Sergeant in the 847th Ordnance Depot Co., Camp McCain. His relatives live in Texas and immediately after the ceremony the young couple left in his car for a short honeymoon trip to visit them. They were guests of his sister at Sulphur Springs, and was met there by his mother from Fort Worth.

They returned home Sunday and will make Grenada their home.

McMASTER-DAVIS

Miss Martha Frances Davis, daughter of Mr. and Mrs. W. D. Davis, of The Plant, and William C. McMaster, Lieutenant United States Army Air Forces, son of Mr. and Mrs. Elbert T. McMaster, were united in marriage at noon on Monday, August 30th in the Ellington Field Chapel at Houston, Texas, with the chaplain, Lieutenant W. R. Brown, reading the service. The wedding followed immediately after the graduation exercises in which the bridegroom received his wings and commission.

For the ceremony the bride was becomingly attired in a smart costume suit, a Paul Sachs original in light weight ice blue wool with trimming of brown fitch which was accented with matching brown accessories. Her hat was of brown felt with brown tipped ice blue feathers framing her face in halo effect, and she wore a shoulder corsage of exquisite brown orchids.

Mrs. Malcolm Carter, of Greenwood, sister of the bridegroom, was the bride's only attendant, wearing a black fall sheer with accents in aqua complemented by black accessories and a tiny black felt hat. Her corsage was of double red hyacinths.

Captain Frank H. Wilcox, of Ellington Field was best man and Mr. and Mrs. Elbert T. McMaster, parents of the bridegroom were in Houston to attend his graduation and the wedding.

Immediately after the ceremony the young couple left for Tucson, Arizona, where Lieutenant McMaster will be stationed for further training at Davis Mountain Field, the Army Command School specializing in the training of fighter and bomber pilots.

EPISCOPAL AUXILIARY

The Auxiliary of the Episcopal Church met at the home of the vice-president, Mrs. Ben Brown, on Monday afternoon with ten members present. Mrs. W. W. Whitaker, president, presided. Mrs. W. J. Sherwood, secretary gave her report. Mrs. Sax Welk reported favorably on the Young People's Service League work. Mrs. E. L. Wilkins spoke on the need for cooperation of every citizen in the county during the 3rd War Loan Drive. Mrs. Harry Burckle, Social Service Chairman, received gifts for Sadie Key, which included a box of beautiful clothes donated by Mrs. J. P. Fisher, of Jones-town, and a nice sum of money to purchase shoes and other apparel. The meeting closed with prayer.

MRS. LUSCHER HONOREE

On Friday morning of last week Mrs. L. J. Doak entertained beautifully in honor of Mrs. Luscher, of Mobile, the former Miss Dora Adams, of Grenada.

Fourteen guests, friends of the honoree, arrived at ten o'clock and were greeted by the hostess and her sister, Miss Robbie Doak.

Delicious refreshments, served in the handsome dining room, consisted of iced Coca-Cola, served from a large punch bowl, and chicken salad sandwiches, imported cheese in pastry cocktail hats, and English short bread served from platters, placed on the charmingly arranged dining table. Roses from the hostess' garden were used to decorate the reception room, and lovely begonia leaves encircled the punch bowl.

Another out-of-town guest, Mrs. T. LaGrone, of Greenville, was present at this delightful courtesy.

J. S. VANDIVER EXPRESSES APPRECIATION

I wish to express my sincere appreciation to the people of Mississippi for the endorsement given my administration at the polls on August 24. I want to thank all friends who worked so untiringly for me. This splendid victory is a tribute to our great school program, to which all friends of education have made a contribution. We earnestly solicit the continued cooperation of all the people of Mississippi in building a greater educational program for our youth and in carrying on the much needed Wartime Program. I am very grateful for this opportunity to serve.

You want to do business with stores that observe the law. These shoe stores will observe the law because we value our customers' confidence and respect more than we value sales, so . . . will you please do this, as a special favor to us.

Don't ask us to accept Shoe Coupons unless they are in your book. The law says we MUSTN'T!

EXCEPTION! When you order shoes by mail, you can send the No. 18 coupon in with your order. When you come in person, the No. 18 coupon must be in your book.

The following resolution was introduced, its adoption moved and seconded and put to a vote. Aldermen Boone, Moss, Horn, Lilly, Burt and Denton voting for its passage and there being no vote against same it was declared duly adopted and ordered entered on the Minutes as follows:

A resolution declaring the intention of the Board of Mayor and Aldermen of the City of Grenada, Mississippi to issue bonds of said City to the amount of not exceeding \$25,000.00 for the purpose of extending the water and sewer system, pipes, lines, etc. of said City as the Board may determine, etc.

Resolved by the Board of Mayor and Aldermen of the City of Grenada, Mississippi:

Sec. 1. That it is and is hereby declared to be the intention of this Board to issue at its meeting to be held at the City Hall in said City at 5:00 p. m. on October 24th, 1943 bonds of said City to the amount of not exceeding twenty-five thousand dollars for the purpose of extending the water and sewer system, pipes, lines etc. of said City as the Board may determine.

Sec. 2. Said bonds, if issued, will be issued in strict compliance with the law in all respects and will bear interest payable semi-annually, at a rate not exceeding six per cent per annum. The proceeds of the sale of said bonds, if issued, will not be used for any other purpose than the purpose herein set forth.

Sec. 3. Said bonds will not, however, be issued if twenty percent of the qualified electors of this City file a written protest against such issuance on or before the date of said meeting for the issuance thereof aforesaid unless the issuance thereof shall be authorized by the electors of said City at an election for that purpose as provided by law, the Board hereby adjudicating that this City is a municipality of less than twelve thousand inhabitants.

Sec. 4. That this resolution, for cause, take effect and be in force from and after passage and be published as provided by law for three weeks in a qualified newspaper published in this City.

Attest: W. Y. West, City Recorder.
Approved: L. C. Proby, Mayor.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feet tired, nervous, all worn out.

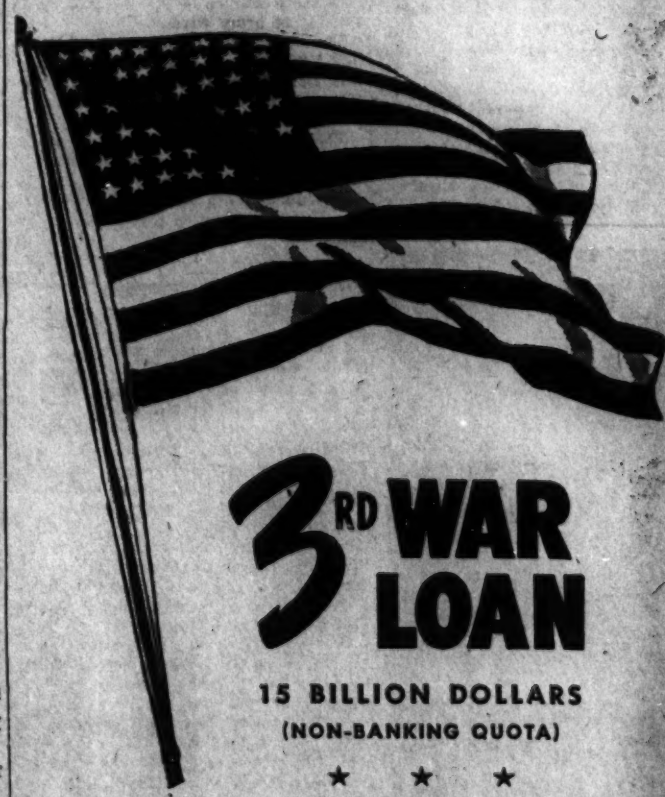

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance. The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.

THE 3rd WAR LOAN DRIVE STARTS —TO BACK THE INVASION!

What you will be asked to do—

MARK well the date—Thursday, September 9th. For on that day, you must answer to your country's call.

On that day, the 3rd War Loan Drive opens. You will be asked to back our fighting forces to the very limit of your resources. You will be asked to go ALL-OUT FOR INVASION by investing in EXTRA War Bonds—more War Bonds than you perhaps think you can possibly afford.

To meet the national quota, every individual in the country who earns a wage or draws an income or has accumulated funds must invest, if he possibly can, in at least one EXTRA \$100 War Bond. Those who can, must invest in more bonds—hundreds and thousands of dollars' worth more.

Scrape up the money from every source you can . . . turn in all the loose cash you carry with you . . . dig out what you had tucked away "just in case." Go without pleasures, luxuries, even necessities this September. And give our fighting men the things they need to fight with—and win.

These men are throwing everything they have into this fierce invasion push. They are giving their blood, their lives. No one can put a price on such courage, self-sacrifice, devotion. But you can show you're with them to the limit! You can say it with Bonds . . . EXTRA Bonds this month.

World's Safest Investments

For this 3rd War Loan, you will be offered a choice of various government securities. Choose the one that fits your requirements.

United States War Savings Bonds Series "E", gives you back \$4 for every \$3 when the bond matures. Interest: 2.9% a year, compounded semiannually, if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: Anytime 60 days after issue date. Price: 75% of maturity value.

2 1/2% Treasury Bonds of 1964-1969; readily marketable, acceptable as bank collateral. Redeemable at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943; due December 15, 1969. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Price: par and accrued interest.

Other securities: Series "C" Savings Notes; 7% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1953; United States Savings Bonds Series "F"; United States Savings Bonds Series "G."

Home Front Volunteers Start Today To Put Over Third War Loan Campaign For World's Greatest Financing Drive

With the Slogan "Back the Attack—With War Bonds,"
Every American Citizen Is Asked to Buy at Least
One Additional \$100 Bond in September

WASHINGTON, D. C., September 9.—America's Third Army marched forth today to capture the most important immediate objective on the home front.

As 2,000,000 volunteers swung into line to put over the Third War Loan campaign, they were met with helping hands from millions of workers in the home front production battle, and cheers of encouragement from men on the fighting fronts—to whom the success of the Third War Loan is literally a matter of life and death.

To "Back the attack—with War Bonds"—every American who can do so will be asked to buy at least an extra \$100 War Bond. The quota for those who are able to invest more from income or accumulated funds will be much higher.

Speaking of the great drive to raise \$15 billion—a major portion to come from individuals—Secretary of the Treasury Henry Morgenthau, Jr., said:

"The United Nations are on the march. The first rumblings of the big offensive are being heard in all the Axis nations. Thousands of our men have stormed Sicily. Tons upon tons of bombs are dropping on Germany. We are attacking Jap-held territory as never before. This is a great day for us. But it means that the time has come for us to really tighten our belts here on the home front. We have come to a most crucial period in the war, and the success that we will have on the fighting fronts, will depend to a considerable extent upon the degree to which we here at home are willing to work and sacrifice for ultimate victory.

"It's going to be a costly victory. We have said that before, but we must repeat it again and again. The real war has only now begun. Billions of dollars more must be spent to keep the material of war going to our men at the front. Your Government must call upon you, the American people, for that money.

"Remember! It is up to all of us here at home to 'Back the Attack'—and to do it more enthusiastically, more thoroughly and with greater sacrifice than any attack has ever been backed by any home front in all history. Everything is at stake. Everyone must help to the very limit of his ability."

The drive, continuing throughout September, will offer to investors in addition to Series E, F and G United States Savings Bonds the following securities: Treasury Savings Notes, Series C; 2½ percent Treasury Bonds of 1964-69; 2 percent Treasury Bonds of 1951-53; ½ percent Certificates of Indebtedness.

Miss Lucile Owens who has been in New York and in New Jersey this summer, is the guest this week end of Dr. and Mrs. J. K. Arent.

Miss Carolyn Whitaker left Wednesday for All Saints Episcopal College where she will enter the Sophomore class.

Mrs. T. C. Peace and son, Midshipman Thomas Peace, left Wednesday for Birmingham for a short visit.

Mrs. Hugh Bowen and step-son, William Ward, of Winona, visited Mr. and Mrs. G. W. Lambert on Wednesday of this week.

Poor Mississippi.

Two colored women had a knife fight on peaceful Green Street Friday night and one of them spilled a lot of blood right at our front door.

Mississippi could not do a more sensible thing than invest its huge surplus in government bonds. It is a good sense, good business and sound patriotism for individuals to invest their surplus funds in war bonds. It is the same thing for the State. The time will come when the state will be almost, if not entirely, bankrupt. These prosperous days are numbered.

The Ferdinand Club was in setting last week.

Wonder why the government engineers on the Oxberry project dragged all of the stumps and tree limbs from one person's property, and left about three or four acres of our land ruined with this debris which will not rot for a hundred years.

NEW AAA PROGRAM IS EXPLAINED

According to information revealed today by T. M. Patterson, State AAA Administrator, the 1944 AAA program will consist only of a soil-building program, with 300 million dollars having been appropriated for this purpose. This amount compares with 189 million dollars soil-building for the Nation's 1943 program. The total 1943 agricultural Conservation Program funds, soil-building and commodity payments, is 400 million dollars.

Mr. Patterson further stated that modification of the 1943 program to meet changing wartime conditions has increased the number of farms eligible for conservation payments and it was, therefore, necessary to revise the rates of payment as follows: (previous rates in parentheses)
Cotton, one cent per pound (1.1 cents); corn, 3 cents per bushel (3.6 cents); and wheat, 8.5 cents per bushel (9.2 cents).

On account of the 1943 program year being extended to December 31, 1943, the cotton and soil-building payments will not be made to Mississippi farmers until January, February and March, 1944.

Extending the 1943 program to December 31, 1943, rather than closing it on August 31, would enable farmers to carry out additional soil-building practices on their farms which they would not have been able to carry out had the program year not been extended, Mr. Patterson said.

In the meantime technicians of the various agricultural agencies are rushing their plans for completion of their recommendations of practices to be included in the 1944 AAA program in order that this information may be made available to the approximately 300,000 farmers throughout the State.

"ACORN ANTICS" TO BE SHOWN ELSEWHERE

"Acorn Antics", the 87th Infantry Division's new variety show, completed its successful showing in camp last Friday night before a capacity crowd including Major General P. W. Clark, Division commander, Brig. General Russell G. Backus, Division Artillery commander, and Colonel Russell C. Throckmorton, chief of staff and a score of visiting civilian guests.

Arrangements are being made to present the show for the men of the near-by Mississippi air bases.

The production, which included skits, dances, singing and musical specialties was under direction of the Division Special Service Officer. Included in the cast are Pvt. Jules Yanover, former violinist for the New York Philharmonic Symphony Orchestra, Sgt. Jerry Campana, the pride of Brooklyn, Sgt. Ernest Harry, directing the musical numbers, and former member of the Abe Lyman band, Sgt. Robert A. J. Turnbull, tap dancing star and a bery of WAC's from the detachment now stationed at Camp McCain.

The Rhumba number by WAC Pvt. Louise Strickland, and poem sequence, "From Glamour Girl to WAC", written and given by Pvt. Shirley Levis, are standout features. The singing and jitterbug dancing of WAC Pvt. Wandl Dwornick features the WAC part of the show. Miss Helen Horton, and Mrs. Faunnie McGee, two "civilian imposters" from Grenada, who are booked in the specialty numbers with singer Cpl. Douglas Moore round out the program. The entire production was directed by Sgt. Max Behn.

Mrs. Jack Yates, of Hattiesburg, is the guest of her mother, Mrs. Collins Jones, and aunt, Miss Lida Owen.

To the People of this Community:

DRIVE DEPENDS ON YOU!

Would you take a free ride on a wounded soldier's back? That's exactly what you would be doing if you did not do your duty in the Third War Loan.

Your idle weight would be felt by him on the battlefield. Every civilian counts in this kind of war. Every civilian must make his energy and his dollars work for victory.

Keep in mind that while our national goal in this drive is 15 billions of dollars, this money is being borrowed from you and you and you. You are, as an individual, the deciding factor as to whether we reach this goal. An extra \$100 War Bond becomes an extra rifle, extra bullets and extra fighting power of every type.

VISIT RELATIVES

Mrs. G. W. Lambert and her sister, Mrs. R. S. Calloway, of Greenville, Miss., have returned home from a delightful visit with relatives. Leaving Grenada three weeks ago they went to Louisville, Ky., where they spent two weeks in the home of Mrs. Calloway's daughter, Mrs. Bob McMillan. They spent two days in the beautiful hotel Netherland Plaza in Cincinnati visiting places of interest and attending good shows.

They returned to Mississippi last Thursday and were guests of Mr. and Mrs. Sharkey Campbell at Webb for a day or two before returning to their respective homes.

Count Us Out

Knowing that a big story was about to break at Camp McCain Thursday—a story about the outcome of the trial of the colored troops who besetged Duck Hill—I called the office of the Camp Commander Wednesday and, as he was out for 30 minutes, asked the young lady in his office to request him to call me and give me—a representative of the LOCAL press—permission to be present at the hearing. The Camp Commander did not call, and, until yet, has not called. No verbal or written report that I have heard or read mentioned anything about any one representing the Montgomery county press being present. No mention of the affair appeared in last week's edition of the Winona Times.

The Commercial Appeal, however, carried a front page article, well written by my friend, Jack Robinson, of Oxford, on Friday morning, an article which, I think, put the air on the secrete army boys who, until last Thursday, had not consulted the local officers or the District Attorney, had kept them entirely in the darkness about the whole affair, and ignored them altogether—in spite of the fact that the crime was committed outside the military reservation, upon civilians and within the jurisdiction of civil authorities. Only the persistent work of Congressman Abernethy, who had to go to the Hq. 3rd Army in San Antonio, and write and telegraph voluminously, could break the seal of secrecy about the affair. For this, he surely is to be commended. Anyone would think that Duck Hill, where the crime was committed, was under martial law—which it positively is NOT. Since the Montgomery county press seems to have preserved a deadly silence about the matter, one might say that the GCW should also be mum, but it grips the hell out of me to see the civil authorities, whether in this or in any other county completely ignored.

The GCW has been favored with countless articles about how the flowers bloom at Camp McCain, about how the vegetables grow and other innane and innocuous crap, but its editor was completely ignored when something IMPORTANT was about to happen. In the future, therefore, the reader is not likely to see any of that self-laudatory crap in the Grenada County Weekly, except some crap we already have in type and do not want to "throw in" unused.

Between five and 12 tons of equipment must accompany every American soldier overseas. In addition, approximately one and one-half tons of food, clothing and other supplies must be transported monthly to maintain one man in the combat zone. You have an urgent task to keep these supplies moving by buying more War Bonds. Back the attack with War Bonds.

The GCW Gets About

The following is a letter from Mr. William A. Lydgate, editor of the American Institute of Public Opinion (the Gallop Poll outfit):

The Snuff Dipper's Edition arrived in good time and gave me exactly the material I wanted. I am much indebted to you for your help.

The manuscript is now in the hands of CORONET, and I believe will be published in their November issue. They may have to cut it somewhat for space, but I hope they will leave untouched the paragraphs about you and about the convention.

I was glad to have your Victory Edition and your current issue. The rotogravure supplement is a neat and masterful job—as good as any metropolitan daily could have done.

Saving (?) Democracy

Our troops are engaged on a hundred fronts and on the Seven Seas in a fight to save democracy, while we at home are losing it to the New Deal. Unless the present regime of New Dealers and do-gooders is overthrown, our boys will return to a country that is no longer a democracy, but a bureaucracy, if not worse. They will return to a country dominated by long-haired theorists who, purportedly trying to save the American Way of Life, are in reality destroying it.

Just a few years ago the only contact that an average person had with the United States government was when he saw the postman or the rural mail carrier or when he saw or suspected he saw a government "detector" snooping around for an illicit still. Now the federal government is almost like God, omniscient, omnipotent and omnipresent. If we want to buy a pair of shoes we have to have a government stamp; a pound of side meat is not measured in money value, but in "pint" value; a man has to swear a lie, swearing he is a farmer, to buy a two-bit file. Ad infinitum; ad nauseum. Some one may say that the war is the excuse for these invasions of human rights, but what of making farmers plow up cotton, kill pregnant sows and burn wheat—in a nation where we of my generation were taught that God frowned upon anyone who destroyed food. What of the multitudinous governmental lending agencies who have almost busted banks which another alphabetical agency (the FDIC) was supposed to save? What of the army of snoopers who pry into the private lives and affairs of a people whose principal credo is, "All men were created free . . . ?"

What of a New Deal which will seek to debauch a candidate for a state office and, failed to do so, flood the state with money from those who seek to perpetuate the New Deal because they profit by it. And, the way, thank God for one candidate for high office who had the guts to tell an emissary from the New Deal to go to hell when the emissary took him to the mountain top and showed him the fine things in store for him if he would "fine up" with the New Deal outfit.

Yes, our boys are fighting and dying to save something—democracy—that no longer exists in this nation. It is the most incongruous situation imaginable.

To hell with the New Deal which is sapping the liberty of the people, making liars and cheats of them, debauching and enervating them with doles and hand-outs.

Every American infantry division which smashed its way into Sicily fired 542 tons of ammunition every day. Back the attack with War Bonds.

from school. She has a whole month of rest from Missouri. Dorothy says that the baggage car is really the best place to travel comfortably, especially if you have a little dog that goes where ever Dorothy goes.

The next stop in our slanderous journey is Camp McCain.

But the first item isn't slander. We are all sorry to hear that Mrs. Ryder is having such troubles with her hand. Mrs. Ryder has been in and out of the hospital lately, and we surely miss her Saturday nights at the Officers' Club. She was there last Saturday with a big yellow bandage, though and was very welcome.

This is a family war. Put your War Bond buying through the payroll savings plan on a family plan, which means figure it out yourself.

Ever think about Running a Factory?

If you've ever run a farm or dairy or store, there are a lot of things about running a factory that you'd find pretty familiar. Things like working any and all hours, training green help, planning for months ahead without letting the planning interfere with the job of the moment.

These are the responsibilities of management. And the peculiar American ability to meet and lick these problems means a lot today, both on the food-producing and weapon-producing fronts.

Ability to manage isn't picked up overnight. For good management is a skill just as much as good workmanship—learned the hard way.

It won't be forgotten overnight, either. For it is these men who, on farm and in factory, have actually produced the things from which our high living standard is derived, who can and will, by working together, give every American a more abundant life in the peacetime years to come. ISRAEL MARCHES TOWARD CANAAN

LESSON TEXT—Numbers 10:11, 12, 29-33.
GOLDEN TEXT—Come thou with us, and we will do thee good.—Numbers 10:23.

There is a time to wait before God, to be instructed and prepared for holy living. There is also a time for action. When God says, "Move forward," His people are to arise and be on their way.

Israel, who had now been more than a year on the way from Egypt to Canaan, had been resting for a time at Mt. Sinai, there receiving instruction and being organized into a nation. They had set up a place of worship in their midst, and now they were ready to go on. That is God's will for His people. They were to

I. Move Toward the Goal (vv. 11, 12).

God had a schedule. He wanted them to move forward on a certain day (v. 11). Since the Jewish religious year, referred to here, began with the spring equinox, this was about the middle of May. The dry season was ahead—a good time to travel.

Those who think the purposes of God for men are nebulous and uncertain, and that He has no real plan for us, are obviously mistaken. His plan is good and acceptable and perfect; let us find and follow it.

We do not have a pillar of cloud and fire to move before us. We do not need it, for we, unlike the Israelites, have God's Word for our guide, and His Holy Spirit as the One who will tell every responsive soul when and where to go.

The important thing is to obey, promptly and willingly, and we shall have the blessing of God.

II. Bring Others With You (vv. 29-32).

Those who go up to the promised land should not go alone, they should bring others with them.

Moses, who had been in touch with the family of his father-in-law (known both as Jethro and Raguel or Reuel), now sees the value of having with him his brother-in-law, who was so acquainted with the great and terrible wilderness through which they were to pass that he could be invaluable as a guide and helper.

In giving him the invitation, however, Moses stressed the opposite thought—that it would be good for Hobab if he came with them. That was doubtless true, but it was not the right approach.

Men do not respond to the opportunity for advantage in spiritual things as readily as to the challenge to usefulness. The motive of acquisition is strong, but the best folk are not as interested in what they can get as what they can give.

The church may stress too much its value as a place of refuge and not enough the unparalleled opportunity it affords for sacrificial service.

When Moses changed his plea and revealed his need of Hobab, the response was immediate. He had thus won a friend and a helper.

III. Follow God's Guidance (vv. 33-34).

God gave special guidance on this occasion. The ark which commonly was found in the midst of the people, now moved out before them. It was the symbol of God's presence. As they went out into the wilderness (which Deut. 1:19 calls "great and terrible") it was as though God Himself went before them.

Is not this always true? The "Captain of Our Salvation," Jesus Christ, is not One who tarrys in safety at the rear and sends up orders for us to attack life's problems. He goes before us!

The pillar of cloud hovered over the people as though to give them shelter from the beating sun of the desert. God is mindful of the road His people must travel, and in His loving-kindness provides for their protection and care.

In our day there are many who are tempted to question whether God knows of their trials and afflictions. He does, and He will not permit them to be tried beyond their ability to bear it.

When the ark went forward, their leader, Moses, addressed God in the stirring words of verse 33. The people whose God is the Lord may count on Him to scatter their enemies.

All of human life is either a journey or a battle, and often it is both. We must arise and make valiant war against the forces of evil if we are to move forward for God. But we must recall that our foes, as Christians, are also God's foes.

The battle is not ours, but God's, and we do well to call on Him to rise up and smite the enemy.

Note that after the forward march came a time of rest. God always gives His people an opportunity for needed rest.

MOROLINE PETROLEUM JELLY

What is the most welcome gift you can send to a man in the service? Well, surveys among service men themselves show that one of the favorite packages from home are cigarettes. And first choice among men in all the services is Camel, based on the actual sales records in Post Exchanges and Canteens. Though there are now Post Office restrictions on packages to overseas Army men, you can still send Camels to soldiers in the U. S., and to Sailors, Marines, and Coast Guardsmen wherever they are.—Adv.

SNAPPY FACTS ABOUT RUBBER

Experience shows that tire failures during the four hot months from June to September average 20 per cent higher than during the rest of the year.

Rubber sheeting should be washed with soap and warm water, thoroughly rinsed and then cleaned with a 5 per cent solution of cresol, to get the longest service out of the rubber. Roll, don't fold, when not in service.

The granddaddy of the present-day reinforcer, the Macintosh, was patented in England in 1859 by Charles Macintosh, of Glasgow, Scotland.

NEW EFFECTIVE HAY FEVER RELIEF

Hay fever, which annually causes more sneezes, more inflamed noses and more red, streaming eyes than any other scourge, may have its final big fling this September, all because a Pennsylvania electrical engineer was served a dish of corn meal mush which was entirely too salty.

The engineer, sneezing, and with all other hay fever manifestations, stopped at a hotel where he was served a dish of mush which he considered sending back as it was much too salty. Finally he ate it, however; the hay fever attack lessened, ultimately ceased. Next day he had three meals, all oversalted, and experienced his most comfortable time in years in the "hay fever season."

His analytical mind quickly grasped the possibility that the saline substance in his food was responsible for his relief. About this time, Dr. E. E. Selleck, a graduate of Columbia University, met the engineer, made notes, and when he returned to his home, began experiments. Today Dr. Selleck declares he has found a certain means of relief for hay fever and is supported in his contention by other medical experts, and a nationally known chemical manufacturing concern, the Hollings-Smith Company, at Orangeburg, New York, has taken over making the remedy, which is called Nakamo Bell.

Describing the experiments, Dr. Selleck said, "After I was sure I had found a means of quickly relieving hay fever through the chloride group, I tested it in the most practical way I knew. I held a three day clinic, to which many hay fever sufferers responded, from ages ranging from 10 to 60 years. Each person was given two tablets with a little water. Some relief came to all within ten minutes. Reports on these cases during the ensuing weeks showed practically a complete cessation of symptoms."—Adv.

CPL. FEIGENBLATT FEATURED ARTIST AT "SUNDAY AT THREE"

Cpl. Ian Feigenblatt of the 87th Division was the featured artist at the weekly "Sunday at three" program on August 22nd, accompanied by Mrs. Gene Marders Boteler, of Grenada. Cpl. Feigenblatt, a baritone, presented a most interesting selection of classical and semi-classical numbers. Mrs. Boteler also played several numbers for the soldier audience.

The program of the afternoon was as follows:

Cpl. Feigenblatt singing, accompanied by Mrs. Boteler, Oh Promise Me; Because; Night and Day.

Piano selections, The Breeze and I; This Love of Mine.

Cpl. Feigenblatt, Solo, Danny Boy; I Love Thee.

Piano Solo, Star Dust, Darkness on the Delta.

Cpl. Feigenblatt, Solo, Ah Sweet Mystery of Life, Ave Maria.

Mr. John Karpeles, field director of the USO would appreciate suggestions from the members of the community for future programs. He is particularly anxious to contact talented Grenadians, who would like to appear on this weekly USO program, which is open to soldiers and their wives, as well as to the members of the community.

MADE CORPORAL

Pfc. Willoughby M. Jordan, son of Mrs. S. M. Jordan, The Plant, Miss., has been promoted to the rank of corporal at the Carlisle Army Air Field, Carlisle, New Mexico.

Mrs. Frank Horton, who has resided in Houlton, Me. with her husband, L. Horton, for the past year, has returned home for an indefinite furlough visit with her parents, Mr. and Mrs. Mahew, as her husband has been ordered north.

I saw two ladies of the evening recently who apparently were discussing trade practices.

TWENTY-SEVEN NEW WACS AT AAB

Twenty-seven women were sworn into the Women's Army Corps Friday, August 13, 1945, at the Grenada Army Air Field. On that date thousands of patriotic women all over the country who have been serving with the Army actually went into the Army.

They earned this recognition strictly on their merits--on the caliber of the job they have done thus far. The greatest tribute that could be paid the Corps is the fact that Commanding Officers everywhere are calling for more and more of them. These requests for WAC's from Army Commanders in the field total more than six hundred thousand.

Under the new arrangements they will have added rights and privileges and greater responsibilities. Their Army status will entitle them to the same privileges that other members of the Army receive, such as eligibility for National Service Life Insurance. They will hold the same ratings as Army men and use the same titles. WAC Officers will be used to replace male officers of the Army in certain operational and administrative jobs. Enlisted WAC's have taken over 155 different types of jobs, therefore, releasing men for active duty at the front.

The WAC Officers will be sworn into the Army September 1, 1945.

BASEBALL RESULTS AT CAMP MCCAIN

Two phases of the 87th Infantry Division's "stepped up" sports program came to an end here last Saturday with the 347th Infantry Regiment walking off with top honors in both the volleyball and soft ball championships and receiving the praise of Division Commander Major General F. W. Clarkson, who was on hand to make the trophy presentations.

It took two extra innings for the 347th to squeeze through to a 9-3 victory over the 346th Infantry who were runners-up for the title. The 347th volleyball team had things their own way for the afternoon in their department beating Service Company of the 345th in successive games, 21-11, 21-18. The final softball game pitted Company G 346th Infantry against winning, and now Division Company champs, Company K 347th Infantry.

General Clarkson, former star athlete at Texas A. and M. and Brig. General John L. McKee, east Division commander formed the opening batteries for the afternoon's games.

GAMMON MADE SERGEANT

Sgt. William H. Gammon, son of Mr. and Mrs. Harry Gammon, of Class 47-33 on August 14, 1945 successfully completed the flexible Aerial Gunner course at the Army Air Forces Flexible Gunnery School, Laredo Army Air Field, Laredo, Texas.

Upon graduation, he was promoted to his present rank and received the coveted Aerial Gunner Wings. He is now eligible to take his important position as a member of an army air forces combat crew.

How could we explain to a man from Mars why, in the midst of a hungry and ragged world, the United States government maintained the AAA and pernicious AAA to restrict production of food and fiber? There is no longer any sense in continuing this damn fool organization, if there ever was any sense in it, which I doubt, how we would like now to have that destroyed cotton, wheat and corn, and those pregnant sows that were destroyed!!!
